4 – 6 Dec 2026

iSPEC 2026

IEEE Sustainable Power and Energy Conference

Organized by IEEE PES Kerala Chapter & IEEE Kerala Section

Venue	Hyatt Regency Trivandrum, Kerala, India
Conference Dates	4 to 6 December 2026
Website	www.ispec2026.org
Theme	Empowering a Sustainable Future Through Green Technology and Systems Innovation

About iSPEC 2026

The IEEE Sustainable Power and Energy Conference (iSPEC) 2026 is a premier international forum that brings together researchers, engineers, policymakers, and industry leaders from across the globe to present and discuss the latest advances in power systems, energy technologies, and sustainable solutions. Hosted at the iconic Hyatt Regency Trivandrum, Kerala, and organized by the IEEE Power & Energy Society (PES) Kerala Chapter in association with IEEE Kerala Section, iSPEC 2026 promises to be a landmark event in the energy sector.

The conference will feature high-quality technical paper presentations, keynote addresses by distinguished researchers and industry experts, panel discussions on emerging energy challenges, workshops, tutorials, and a vibrant exhibition floor. All accepted papers will be submitted for inclusion in IEEE Xplore Digital Library.

Conference Tracks

iSPEC 2026 covers seven major technical tracks spanning the full spectrum of power and energy systems:

Track 1: Renewable Energy & Sustainable Technologies

Track 2: Grid Infrastructure & Resilience

Track 4: Smart Grids, AI & Digitalization

Track 5: Transportation Electrification

Track 6: Energy Storage Systems

Track 7: Energy Markets, Policy & Governance

Important Dates

Event	Deadline
Full Paper Submission Deadline	15 August 2026

Event	Deadline
Notification of Acceptance	30 September 2026
Final Paper Submission	15 October 2026
Registration Deadline	1 November 2026
Conference Dates	4 – 6 December 2026

Sponsorship & Exhibition

iSPEC 2026 invites organizations and industry leaders to be part of one of the most prestigious international power and energy conferences. Sponsoring iSPEC 2026 offers a unique opportunity to showcase your brand, connect with leading researchers, engineers, and policymakers, and demonstrate your commitment to advancing sustainable power and energy technology.

Why Sponsor iSPEC 2026?

- Brand Visibility – Reach a global audience of 500+ power and energy professionals
- Networking – Connect directly with researchers, academicians, and industry experts
- Exhibition Space – Showcase your products, solutions, and innovations
- Publication Exposure – Feature your brand in the official IEEE abstract book and proceedings
- Digital Presence – On-site digital display advertising throughout the three-day event
- Recruitment – Access to top engineering talent from leading institutions

Sponsorship Categories

* All amounts are exclusive of applicable taxes. Sponsorship slots are limited — early registration is strongly encouraged to secure your preferred category.

Category	Amount*	Exhibition Stall	Delegates	Additional Benefits
Title Sponsor	**INR 10,00,000**	5 m × 3 m	10	Full-page advertisement & company logo in conference abstract book + digital display advertising during the event
Platinum	**INR 5,00,000**	5 m × 2 m	5	Full-page advertisement & company logo in conference abstract book + digital display advertising during the event
Gold	**INR 3,00,000**	4 m × 2 m	3	Full-page advertisement & company logo in conference abstract book + digital display advertising during the event
Silver	**INR 2,00,000**	3 m × 2 m	2	Please visit the conference website for complete details
Bronze	**INR 1,00,000**	2 m × 2 m	2	Please visit the conference website for complete details
Others	**INR 50,000**	1.5 m × 1.5 m	1	Please visit the conference website for complete details

Secure Your Sponsorship Today!

Sponsorship slots are limited. Contact us today to reserve your preferred category and be part of iSPEC 2026.
